A message from the Chamber: COVID-19

With the impacts of COVID-19 on our local business community already in effect and changing daily, if not even hourly, the Chamber is here to support our local businesses and the community.

At the present time, our Chamber office will remain open as a "Handshake-Free Zone." We have closed the Business Information section, however the tourism section remains open and operated by the county's Tourism Department. If you need to see any of the Chamber staff in person, please call to make an appointment at 352-795-3149. All Chamber events, programs and meetings have been cancelled or rescheduled through April.

Also, please keep an eye on our website and Facebook for updates on Chamber events, programs and member resources to help your business weather this trying time.

— Harold Walker; Chamber Board of Directors Chairman

Supporting Local Businesses: A Matter of Survival

In light of recent events and information, the Citrus County Chamber of Commerce has compiled a useful list of Chamber affiliated restaurants and organizations in Citrus County who offer take out and/or delivery to help accommodate any health precautions or quarantines.

This is a very crucial time during this unprecedented event- which is why our local businesses, especially our restaurants, need us now more than ever.

For an online list please visit www.CitrusCountyChamber.com/Taste-Togo. We will continue to update this list as information is gathered from our Chamber members.

If your business is offering any of these services, please email us at PR@CitrusCountyChamber.com.
